Guidance for Exercising Voting Rights

There are several methods for exercising voting rights. Please read the attached Reference Documents for the General Shareholders' Meeting, and exercise your voting rights through either of the following methods:

<For shareholders who are attending the meeting>

When you attend the meeting, you are requested to present the enclosed Voting Right Exercise Form at the reception desk upon arrival at the meeting. You are also requested to bring this document "Notice of the 11th Ordinary General Shareholders' Meeting" with you to the meeting.

<For shareholders who are unable to attend the meeting>

If you are unable to attend the meeting in person, you can exercise your voting rights by postal mail or Electronic Method.

< Exercising Voting Rights by Postal Mail>

Please indicate your approval or disapproval on each proposal on the enclosed Voting Right Exercise Form, and return it by postal mail.

In the event we receive the form which has no indication of either approval or disapproval on any of the proposals made by the Company, we will regard such proposals as being approved.

Deadline for Exercising Voting Rights: To arrive no later than 5:30 p.m. on Monday, June 23, 2014 (JST)

<Exercising Voting Rights by Electronic Method (Internet)>

Please access the website designated by the Company for exercising voting rights which is at http://www.evote.jp/ through your computer, smartphone or mobile phone by using the login ID and temporary password indicated on the enclosed Voting Right Exercise Form, and enter your vote for each proposal according to the instructions on the screen. Please see page 4 for details.

Deadline for Exercising Voting Rights: No later than 5:30 p.m. on Monday, June 23, 2014 (JST)

< Electronic Voting Platform>

Nominal shareholders such as trust banks (including standing proxies) who apply in advance to use the Electronic Voting Platform for Foreign and Institutional Investors operated by ICJ, Inc., a joint venture established by Tokyo Stock Exchange, Inc., etc. may use the platform to exercise their voting rights, in addition to the exercising of voting rights via the Internet as explained above.

Instructions for exercising voting rights by Electronic Method (Internet)

If you are exercising your voting rights via the Internet, etc., please take note of the following points before doing so.

The exercise of voting rights via the Internet is possible only by accessing the website designated by the Company for exercising voting rights (http://www.evote.jp/) through your computer, smartphone, or mobile phone (i-mode, EZweb, and Yahoo! Keitai service (Note)). (unavailable between 2:00 a.m. and 5:00 a.m. everyday)

<Website designated by the Company for exercising voting rights>

To exercise your voting rights via the Internet, please access the website designated by the Company for this purpose (http://www.evote.jp/) through your computer, smartphone or mobile phone. Once you have accessed the site, please use the login ID and temporary password indicated on the enclosed Voting Right Exercise Form, and enter your vote for each proposal according to the instructions on the screen.

A new login ID and temporary password will be issued and notified to shareholders each time a General Shareholders' Meeting is convened.

Deadline for Exercising Voting Rights: No later than 5:30 p.m. on Monday, June 23, 2014 (JST)

For computers and smartphones

The exercise of voting rights through computer or smartphone depends on the Internet connection environment. You may not be able to exercise voting rights through computer or smartphone, for example, if the firewall is set for the Internet connection, any anti-virus software is installed, or the proxy server is used.

For mobile phones

If you exercise your voting rights through a mobile phone, please use either i-mode, EZweb, or Yahoo! Keitai service. Please note that, for security reasons, the voting system only supports a model with the encryption (SSL) communication function and capable of sending the mobile phone information.

Precautions to observe

To prevent illegal access to the voting system by a person other than the shareholder (impersonation) as well as to avoid falsification of voting data, you will be asked to change your temporary password on the site for exercising voting rights.

Handling of voting rights exercised in duplicate

- If you duplicate your voting right by exercising it via postal mail and via the Internet, your vote via the Internet will be treated as valid.
- · If you exercise your voting rights more than once via the Internet, or both through a computer, a smartphone and a mobile phone, only your last vote will be treated as valid.

Costs incurred for the access to the website for exercising voting rights

The costs incurred for the access to the website designated by the Company for exercising voting rights (such as Internet connection charge and phone charge) shall be borne by the shareholder. The packet communication and other fees are charged for the usage of smartphone or mobile phone, which shall also be borne by the shareholder.

(Note) i-mode, EZweb, and Yahoo! are trademarks or registered trademarks of NTT DOCOMO, Inc., KDDI CORPORATION and Yahoo! Inc. (U.S.A.), respectively.

Proposals and Reference Matters

Proposal No. 1: Dividends from Surplus (Year-End Dividends for the 11th Fiscal Year)

We recognize that the stable, continuous payment of dividends is an important management issue, together with enhancing corporate competitiveness and shareholders' value by increasing retained earnings and using them effectively. Our basic dividends policy is a consolidated payout ratio of approximately 20%.

Taking into account matters such as the status of shareholders' equity and capital demand resulting from investments for growth and other matters, we hereby propose year-end dividends for this fiscal year as follows.

(1) Type of Dividend Property

Cash

(2) Allocation of Dividend Property to Shareholders, and the Total Amount

2 yen per share in common stock of the Company, and 2,502,064,406 yen in total

We paid an interim dividend of 2 yen per share on December 3, 2013. Therefore, an annual dividend per share will be 4 yen and the total amount of annual dividends is 5,004,218,068 yen.

(3) Effective Date of Dividends from Surplus

June 25, 2014

Proposal No. 2: Election of Seven (7) Directors

The Board of Directors of the Company currently consists of seven (7) Directors including two (2) Outside Directors, all of whose tenures terminate as of the conclusion of this General Shareholders' Meeting. Accordingly, we hereby propose the election of seven (7) Directors including two (2) Outside Directors.

Candidates for Directors are as follows. Prior to the nomination of the candidates, we have received a report from the Nomination Committee, an advisory body of the Board of Directors of the Company, stating that each candidate satisfies the criteria for Directors formulated by the Nomination Committee.

We do not have any quantitative standard to determine the independence of candidates for the appointment of Outside Directors. However, in order to reflect advice and recommendations from an objective perspective and independent standpoint in the decision making by the Company, we have always nominated candidates for Outside Directors who have extensive knowledge and insight, including academics and experts in the administrative fields.

Each of the two (2) Outside Director candidates meets requirements for independent officer set forth in the listing rules of the Financial Instruments Exchange on which the Company is listed, and they will be registered as independent officers if their election is approved.

There is no special interest between any of these Director candidates and the Company.

Business Report

(From April 1, 2013 to March 31, 2014)

1. Current Circumstances of the Sojitz Group

(1) Review of Progress and Performance in Operations

The economy in the fiscal year under review (FY2013) remained firm as the economies in the developed countries, including the U.S. and Japan, were on recovery trend, despite emerging economies were tending to slow down.

In the U.S., economy showed signs of moderate recovery, as the quantitative easing policy led to recovery of housing market and personal consumption and increasing number of employees. A shift to domestic energy production and the stable price due to the shale gas revolution also supported the recovery.

Although recovery of personal consumption lagged behind due to factors including persistently high unemployment rates, the European economy is showing a moderate recovery trend as the economic growth turned positive pulled by the German economy with the stabilized financial market supported by recovery of confidence in monetary and fiscal policies.

In China, growth rate is somewhat slowing down, with such emerging issues including the past excess investment and the shadow banking problem, despite the support by investment.

In the Asian emerging nations, import price inflation and decrease in domestic demand were the concern as capital outflow to overseas and the slowdown of direct investment inflow led to depreciation of currencies in deficit ridden nations, in addition to slowdown of Chinese economic growth.

The Japanese economy remained firm with recovered domestic consumption due to yen depreciation and rise in stock prices in addition to large scale monetary easing by the Bank of Japan and government spending, as well as the last-minute demand before the consumption tax increase in the end of the fiscal year.

Sojitz Group Performance

In FY2013, the Group performed as outlined below. (Note)

(Note) Effective from FY2013, the Group adopted the International Financial Reporting Standards (hereinafter referred to as "IFRS") in preparing the consolidated financial statements, and gross profit, operating profit, profit before tax, profit for the year, and total comprehensive income for the year are shown pursuant to IFRS. Net sales are commonly used by the Japanese general trading companies, and represent the total amount of the transactions in which the Group took part as principal and those in which the Group took part as an agent.

Net sales

Net sales totaled ¥4,046,577 million, up 2.8% year on year, due to an increase in earnings in the Consumer Lifestyle Business Division led by increases in the trading volume of wheat and the Southeast Asian sales volume of fertilizers, as well as an increase in earnings in the Chemicals Division led by the effect of yen depreciation in Asian transactions, although there was a decrease in earnings in the Energy & Metal Division affected by the sale of a petroleum products sales subsidiary in the previous fiscal year.

Gross profit

Gross profit totaled ¥198,221 million, up ¥10,976 million year on year,

primarily due to increased profits in the Consumer Lifestyle Business Division mainly from the increase in earnings of overseas fertilizer projects and increased profits in the Machinery Division from the increased earnings in the overseas automotive businesses.

Operating profit

Although gross profit increased, operating profit decreased by \(\frac{\pmathbf{4}}{1,799}\) million to \(\frac{\pmathbf{2}}{23,694}\) million primarily due to deteriorating other income (expenses) including impairment losses with respect to oil and gas field interests and ferroalloy interests, and foreign exchange losses in regard to the overseas automotive business subsidiary.

Profit before tax

Although operating profit decreased, profit before tax totaled ¥44,033 million, up ¥15,981 million year on year, primarily due to a decrease in share of loss of investments accounted for using the equity method.

Profit for the year

After deducting income tax expenses of \$11,949 million from profit before tax of \$44,033 million, profit for the year was \$32,083 million. Profit attributable to owners of the Company was \$27,250 million, up \$13,802 million year on year.

Total comprehensive income for the year

Total comprehensive income for the year totaled \quad \quad \quad 88,487 million, up \quad \quad 26,739 million year on year, primarily due to positive foreign currency translation differences for foreign operations resulting from yen depreciation, in addition to increased profit for the year. In addition, comprehensive income attributable to owners of the Company totaled \quad \quad \quad 82,221 million, up \quad \quad 26,050 million year on year.

Sojitz Group Segment Performance and Business Overview

The Group's operating performance and overview of business conditions by business segment are as follows.

Machinery Division

Operating performance

Net sales (JGAAP) increased 4.9% year on year to ¥988,430 million mainly due to increased aircraft-related transactions. Profit attributable to owners of the Company decreased ¥1,484 million year on year to ¥2,258 million primarily due to deteriorating other income (expenses) including foreign exchange losses in regard to the overseas automotive business subsidiary, despite good performance in the overseas automotive businesses.

Overview of business conditions

In the automotive field, demand for automobiles on a global basis continues to be strong. Our trading volume increased steadily in the regions including Southeast Asia and Latin America, with recovering sales in Russia. We will continue to strengthen our business in consideration of changes in the business environment and risk management.

In the fields of infrastructure projects and industrial machinery, two large-scale projects in Oman in the Middle East, among the IPP projects which we are focusing on, started the commercial operations. In addition, we will steadily accumulate orders particularly in emerging economies in which the Group has a strong business foundation, including civil and track works for the dedicated

freight corridor in India and gas turbines and ammonia plant in Russia. In Japan, we have entered a mega solar business in four locations including Aomori Prefecture, contributing to the expansion of domestic renewable energy generation, aiming to establish a medium- to long-term and stable revenue base of the Group.

In the marine and aerospace fields, in FY2013, we delivered a total of 24 aircrafts to Japanese airlines as the Japan sales consultant for The Boeing Company in the U.S. and one aircraft to the Japanese airline and another to the government agency as the Japan sales agent for commuter airplanes manufactured by Bombardier Inc. in Canada. Additionally, we strive to improve profitability by replacing ships that we own with more competitive ones.

Energy & Metal Division

Operating performance

Net sales (JGAAP) decreased 12.5% year on year to ¥777,084 million mainly due to the effect of sale of the petroleum products sales subsidiary in the previous period. Profit attributable to owners of the Company totaled ¥9,276 million, down ¥3,450 million year on year, mainly due to deteriorating other income (expenses) including impairment losses with respect to oil and gas field interests and ferroalloys interests, despite the decrease in share of loss of investments accounted for using the equity method.

Overview of business conditions

In the energy field, production volume restored in the oil and gas interests in which the Group has invested, as facility repair in the previous fiscal year was completed, while the depreciation expenses increased due to decreased reserve in some of our interest. In our efforts on LNG projects to cater for recent growing global energy demand, we will aim at procuring competitive LNG through projects in North America and Africa, while strengthening our business structure.

In the coal field, coal prices have been slumping mainly due to the effect of slowdown of growth in the Chinese and other emerging economies. However, in the coal mine interests in which the Company has invested, the effect of the sluggish coal price is minimized with operation cost improvement and reduction of administrative expenses. In addition, the Group will increase the trading volume by further expanding our currently held coal mine interests in Indonesia to better meet increasing energy demands in the emerging economies, mainly in India and China.

In the steel and mineral resources fields, although mineral resource prices including molybdenum were down similar to coals, partially due to the effect of slowdown of growth in the Chinese and other emerging economies, we will contribute to stable supply through measures such as continuous improvement in operational efficiency and costs. In addition, strengthening the cooperation with our affiliate Metal One Corporation will create a robust business platform that integrates the whole process from ferrous materials to sales of the final steel products.

Chemicals Division

Operating performance

Net sales (JGAAP) increased 12.7 % year on year to \(\frac{4}{6}43,805\) million mainly due to the effect of yen depreciation in Asian transactions. Profit attributable to owners of the Company totaled \(\frac{4}{7},933\) million, up \(\frac{4}{4},756\) million year on year.

Overview of business conditions

In the chemicals field, our mainstay methanol business in Indonesia remained firm due to factors including robust market. In addition, we have started discussions on gas chemical manufacturing project using natural gas produced in Papua New Guinea located in the South Pacific, where extensive natural resources are available.

Our consolidated subsidiary, Sojitz Pla-Net Corporation, recovered its profitability with recovering plastics sales and other factors in Asia.

In the ecological materials and resources field, despite the effects of decreased demands in rare earth, we started commercial production for the industrial salt project in India for which we made our investment in FY2011, and the project in Mexico for manufacturing and sales of barite, which is used for the excavation of shale gas and oil, for which we made our investment in FY2012.

While the profit base of this segment is focused on distributions, the future growth can be expected for the mainstay products such as industrial salt, barite and methanol and we will invest in upstream businesses to build a distribution value chain extending from the supply of raw materials to product sales to increase profitability.

Consumer Lifestyle Business Division

Operating performance

Net sales (JGAAP) increased 5.3 % year on year to \(\pm\)1,554,057 million mainly due to increased trading volume of wheat and increased Southeast Asian sales volume of fertilizer. Profit attributable to owners of the Company totaled \(\pm\)17,492 million, up \(\pm\)10,125 million year on year, mainly due to the increase in share of profit of investments accounted for using the equity method.

Overview of business conditions

In the food resources field, the Group invested in CGG Group in Brazil and entered into agriculture, grain collection, and terminal businesses in Brazil. In collaboration with the grain port in Vietnam, one of the largest grain ports in ASEAN, in which the Group invests, we will make efforts to establish an agricultural and grain value chain between South America and Asia.

In the agriculture and forest resources field, the business of manufacturing and selling advanced chemical fertilizers in Southeast Asia delivered a solid performance. In Japan, the building materials business, which has competitiveness in the area of plywood, also remained firm.

In the consumer services field, the Group entered into capital and business alliance with the City Mart Group Company, the largest distribution business

group in Myanmar where the future growth is expected, to launch consumer goods and foodstuffs distribution and logistics business.

In the development construction field, we are successfully processing the sale of industrial sites in industrial parks of Vietnam and Indonesia, and we will continue to build competitive business model by enhancing the features of our industrial parks and the expansion of their peripheral business.

Other Businesses

Net sales increased 45.5% year on year to \(\frac{4}{83}\),199 million mainly due to the sale of real estate held. Profit attributable to owners of the Company totaled \(\frac{4}{3}\),623 million, up \(\frac{4}{2}\),743 million year on year.

(2) Funding, etc.

Funding

The fundamental policy of the Sojitz Group's financial strategy laid out in the Medium-term Management Plan 2014 is to maintain and improve the stability of the funding structure. The Group will maintain the current long-term debt ratio at target levels, thereby creating a stable funding structure. At the same time, by securing sufficient liquidity on hand to be prepared for changes in the economic and financial environments, the Group works to maintain a stable financial base.

With regard to straight bond, an alternative measure for raising long-term funds, the Group issued \\ \pm 10 \text{ billion each in April, May, and October 2013. In addition, in April 2014, the Group issued our longest-term 8-year bond for \\ \pm 10 \text{ billion.} The Group will continue to look for opportunities for such issuance at an appropriate timing and cost by carefully monitoring interest rates and market trends.

In order to enhance mobility in fund raising activities and supplemental measures for securing liquidity, the Group has signed a US\$300 million multi-currency commitment line agreement in addition to a ¥100 billion commitment line agreement.

(4) Business Outlook and Issues to Be Addressed

Under the new plan called Medium-Term Management Plan 2014 - Change for Challenge, for new reforms for the 3-year period starting in April 2012, the Group will aim to increase corporate value, upholding the theme of "implement reforms in pursuit of growth initiatives."

Implement reforms in pursuit of growth initiatives

- Strengthen earnings capacity by improving the quality of assets
- Continue investing for growth (Strategic allocation to business focus areas)
- Build up a structure and organization that enables its business to be creative, efficient, and highly capable of managing risk
- Foster human resources that are able to go the distance even in a business environment typified by accelerating globalization

Improving corporate value and pursuing greater achievements

Our target financial ratios under the Medium-Term Management Plan 2014 are as follows:

Management benchmark	Targets	
Net DER	2 times or less	
ROA	2% or more	
Dividend payout ratio	Approximately 20%	

One of the measures we will focus on toward the achievement of the quantitative targets set forth in the Medium-term Management Plan 2014 is the improvement of asset quality and efficiency. We will improve the asset quality and strengthen the earnings capacity by replacing businesses and assets whose holding purpose can no longer be justified or that are not closely related to existing businesses, while continuing investments for future growth.

In the fiscal year under review, we compressed assets of ¥49.0 billion through the sale of real estate and other assets, while undertaking investments and loans of ¥54.0 billion in the agriculture, grain collection and terminal businesses, the solar business and other businesses for our future growth. The 2-year cumulative amount in the asset compression up to this fiscal year, mostly reached the target amount in the Medium-term Management Plan, and the Group will accelerate the execution of investments and loans mainly in the food resources business and overseas infrastructure business in FY2014, the final year of the Medium-term Management Plan.

With regard to the Group's organization and systems, in order to build high quality assets and strengthen the operation base of divisions by speeding up decision making of the management, we newly established Controller Offices in three divisions, namely, Machinery, Chemicals, and Consumer Lifestyle Business Divisions in the fiscal year under review, in addition to the Controller Office established in the Energy & Metal Division in the previous fiscal year. With the completion in establishing Controller Offices in all the business divisions, we will strive to further enhance our response to changes in the environment and our risk management capability to move forward the establishment of revenue bases for our future growth.

The fiscal year ending March 31, 2015 is the final year of the Medium-term Management Plan 2014.

The results are expected to be lower than the targets for the final year of the Medium-term Management Plan planned at the time of establishment; however, we will strive to achieve the full-year operating forecasts for the fiscal year ending March 31, 2015, by steadily implementing the measures for our growth for early achievement of the initial targets.

The operating forecasts for the fiscal year ending March 2015 are as follows:

(Consolidated)

Net sales (Note)	¥4,230.0 billion
Operating profit	¥40.0 billion
Profit before tax	¥55.0 billion
Profit for the year (attributable to	¥33.0 billion
owners of the Company)	

(Note) "Net sales" are commonly used by the Japanese general trading companies, and represent the total amount of the transactions in which the Group took part as principal and those in which the Group took part as an agent.

(4) Policy for Determining Dismissal or Non-reappointment of Accounting Auditor

In the event that the Audit & Supervisory Board deems that any Accounting Auditor falls under any of the items of Article 340, Paragraph 1 of the Companies Act, or that any situation occurs that may cause material hindrance to the audit activities of the Company, the Accounting Auditor shall be dismissed.

In addition to the above, Directors shall, upon approval of or request by the Audit & Supervisory Board, submit a proposal to General Shareholders' Meeting, for dismissal or non-reappointment of the Accounting Auditor, and election of another audit firm suitable for Accounting Auditor.

(Note) In the Business Report, figures shown in millions of yen have been rounded down to the nearest million.

5. A System for Ensuring Appropriate Execution of Business Operations

(1) Basic Concept

We strive to clarify the accountability of the management to our shareholders and other stakeholders, establish a highly transparent management system, and improve the monitoring and supervisory functions in establishing and strengthening corporate governance structure with an aim to improve profitability of the Group as a whole and maximize our corporate value.

The current governance structure is employed for the following reasons:

(a) To separate management functions from executive functions

As the highest decision-making body, the Board of Directors reviews and resolves fundamental policies and critical issues concerning the management of the Group. The Board of Directors is chaired by the Representative Director and Chairman to separate management functions from executive functions. We also employ an executive officer system, with the aim of, through the separation of managerial decision-making from business execution, clarifying authority and responsibilities, and ensuring a smooth and swift execution of business.

(b) To reinforce monitoring functions on management

We appoint Outside Directors in order to further reinforce monitoring functions on business execution from an independent perspective. Outside Directors provide objective, appropriate advice and proposals on the management of the Company within and outside the Board of Directors. As a company with an Audit & Supervisory Board, we also have Audit & Supervisory Board Members who independently audit the business operations executed by Directors. In addition, we have set up the Nomination Committee and the Remuneration Committee as advisory bodies to the Board of Directors chaired by Outside Directors to ensure adequacy and transparency of appointment of and remuneration for our Directors.

(c) To strengthen supervisory functions on business execution

We have established the Management Committee, chaired by the President, who is also the chief executive, responsible for the review and resolution of important managerial agendas, and supervise business executions. In addition, we have established the Finance & Investment Deliberation Council for the review and resolution of major investments and loans. We also have internal committees acting as an executing body directly reporting to the President. They handle issues to be addressed from cross-organizational perspectives.

(2) Management Framework regarding Management-related Decision-making, Execution and Supervision, and Other Corporate Governance Matters

(a) Corporate Governance Organization

i) Structure

We are a company with an Audit & Supervisory Board.

ii) Directors and Executive Officers

As of March 31, 2014, our Board of Directors is currently comprised of seven Directors, including two Outside Directors. As the highest decision-making body, the Board of Directors reviews and resolves fundamental policies and critical issues concerning the management of the Group. To enhance corporate governance, the Board is chaired by the Chairman, who works together with the Vice Chairman and Outside Directors to reinforce the supervisory function over Executive Directors as well as the Company's overall system of business execution. They

also provide their opinions and advice on the Company's corporate governance.

We employ an executive officer system, with the aim of clarifying authority and responsibilities in the management and ensuring swift decision-making and execution. The term of office of Directors and Executive Officers is one year, in order to clarify their responsibilities to management and allow them to swiftly and appropriately respond to rapid changes in the business environment.

We have appointed Mr. Yoshikazu Sashida and Mr. Toru Nagashima as Outside Directors of the Company and concluded a limited liability agreement with them. Both of them were selected because of their capabilities of providing appropriate advice on Sojitz's business, based on their wide range of knowledge with highly specialized expertise in corporate management and operations, which have been accumulated through their experiences in key positions in the business industry. Director Sashida has attended all 15 meetings of the Board of Directors held in FY2013. Since he has proactively given his appropriate advice from independent perspective at the meetings of the Board of Directors or on other occasions during his term, we believe that he has fulfilled his duties as Outside Director. Also, Director Nagashima attended 14 out of 15 meetings of the Board of Directors held in FY2013. Since he has proactively given his appropriate advice from independent perspective at the meetings of the Board of Directors or on other occasions during his term, we believe that he has fulfilled his duties as Outside Director.

iii) Functions and Roles of Outside Directors in Corporate Governance

Mr. Yoshikazu Sashida, besides being Outside Director of the Company, serves as Counselor at Nisshinbo Holdings Inc. He gives appropriate and useful advice on the operation of the Company from an independent perspective, based on his valuable knowledge and experience earned through executive positions he has assumed including that of Representative Director, President at Nisshinbo Industries Inc. Taking into account that Nisshinbo Holdings Inc., where Mr. Sashida served as Representative Director, is not a major business partner of the Company, we believe Mr. Sashida maintains his independence.

Mr. Toru Nagashima, besides being Outside Director of the Company, serves as Senior Advisor at Teijin Limited. He gives appropriate and useful advice on the operation of the Company from an independent perspective, based on his valuable knowledge and experience earned through executive positions he has assumed including that of President at Teijin Limited. Taking into account that Teijin Limited, where Mr. Nagashima served as Representative Director, is not a major business partner of the Company, we believe Mr. Nagashima maintains his independence.

iv) Audit & Supervisory Board Members

As of March 31, 2014, our Audit & Supervisory Board is currently comprised of five Audit & Supervisory Board Members, two of whom are serving full-time, including four Outside Audit & Supervisory Board Members (three males and one female, including one full-time member). The Audit & Supervisory Board Members are independent from the Board of Directors, and audit the Directors' execution of their duties.

We have appointed Mr. Yoichi Ojima, Mr. Yukio Machida, Ms. Miki Seko and Mr. Tadao Tsuya as Outside Audit & Supervisory Board Members of the Company and concluded a limited liability agreement with them.

v) Functions and Roles of Outside Audit & Supervisory Board Members in Corporate Governance

We have established and maintain appropriate corporate governance with Outside Audit &

Supervisory Board Members who have highly specialized expertise and a wide range of knowledge in respective fields of legal, finance, economics, accounting, and management, in order to exert the oversight function to maintain the legality of the Company's business execution in every aspect.

Mr. Yoichi Ojima, being Outside Audit & Supervisory Board Member of the Company, supervises the Company's management and gives appropriate advice and proposals within and outside the Board of Directors, from an independent standpoint and objective perspective as Outside Audit & Supervisory Board Member, based on his extensive insight and expertise in finance earned through executive positions he has assumed in financial industry to properly fulfill his responsibilities. Mr. Ojima served as an executive officer at UFJ Bank Limited (current The Bank of Tokyo-Mitsubishi UFJ, Ltd.) until June 2004, which the Company has a business relationship. However, about ten years have already passed since his retirement from the post; therefore we believe that Mr. Ojima fully maintains his independence. Mr. Ojima attended all 11 meetings of the Board of Directors held in FY2013, after he assumed the position of Audit & Supervisory Board Member and also attended all 13 meetings of the Audit & Supervisory Board held in FY2013, after he assumed the position of Audit & Supervisory Board Member.

Mr. Yukio Machida, besides being Outside Audit & Supervisory Board Member of the Company, currently practices the law, after handling criminal cases mainly as a prosecutor for over 30 years and taking senior posts at the Public Prosecutors Office. Mr. Machida has properly fulfilled his responsibilities by supervising the management of the Company and providing appropriate advice and proposals within and outside the Board of Directors, from an independent and objective viewpoint as Outside Audit & Supervisory Board Member. Mr. Machida has attended 13 out of 15 meetings of the Board of Directors held in FY2013, and also attended all 18 meetings of the Audit & Supervisory Board held in FY2103.

Ms. Miki Seko, being Outside Audit & Supervisory Board Member of the Company, supervises the Company's management and gives appropriate advice and proposals within and outside the Board of Directors, from an independent and objective viewpoint as Outside Audit & Supervisory Board Member, based on her long-term experiences and a wide range of knowledge as a university professor of economics to properly fulfill her responsibilities. She has attended all 11 meetings of the Board of Directors held in FY2013, after she assumed the position of Audit & Supervisory Board Member and also attended all 13 meetings of the Audit & Supervisory Board held in FY2013, after she assumed the position of Audit & Supervisory Board Member.

Mr. Tadao Tsuya, being Outside Audit & Supervisory Board Member of the Company, supervises the Company's management and gives appropriate advice and proposals within and outside the Board of Directors, from an independent and objective viewpoint as Outside Audit & Supervisory Board Member, based on his deep insight as a certified public accountant and his expertise earned through his abundant corporate experiences in important positions at such companies as ORIX Corporation to properly fulfill his responsibilities. Additionally, Arthur Andersen LLP, where Mr. Tsuya previously worked, had a business alliance with KPMG AZSA LLC, which is the accounting auditor of the Company, from 1993 to 2002; however, Mr. Tsuya left the office before such business alliance. Taking into account that ORIX Corporation, where Mr. Tsuya assumed the position of Executive Officer from February 2005 to December 2009, is not a major business partner of the Company, we believe that Mr. Tsuya maintains his independence. He has attended all 11 meetings of the Board of Directors held in FY2013, after he assumed the position of Audit & Supervisory Board Member and also attended all 13 meetings of the Audit & Supervisory Board held in FY2013, after he assumed the position of Audit & Supervisory Board held in FY2013, after he assumed the position of Audit & Supervisory Board Member.

vi) The Standard or Policy Concerning the Independence of Candidates for the Appointment of Outside Directors or Outside Audit & Supervisory Board Members

We do not have any quantitative standard to determine the independence of candidates for the appointment of Outside Directors or Outside Audit & Supervisory Board Members. However, in order to obtain advice and recommendations from an objective perspective and independent standpoint, we have always appointed as Outside Directors several persons with a wide range of knowledge and deep insight who have extensive experience in industries and administrative fields, such as those who have management experience in business corporations and government agencies and others who have objective and specialized viewpoint toward world affairs and social and economic trends. In appointing Outside Audit & Supervisory Board Members, in addition to the above, we also ensure the diversity of the candidates' background from the perspective of reflecting the viewpoint of a variety of stakeholders in audit of business activities.

We have designated and registered these two Outside Directors and four Outside Audit & Supervisory Board Members as independent officers as they satisfy the requirements specified in the Securities Listing Regulations of the financial instruments exchange in Japan, where the Company lists its stocks.

vii) Support and Information Provision for Outside Directors and Audit & Supervisory Board Members

We provide Outside Directors information on relevant matters and reports regarding the meetings of the Board of Directors, including prior explanation about meeting agendas.

For Outside Audit & Supervisory Board Members, we provide information on relevant matters and reports through the staff members of Audit & Supervisory Board Members Office, a dedicated support body of the Audit & Supervisory Board.

(b) Business Execution, Auditing, Supervision, Nomination and Remuneration Decisions

i) Business Execution

We have the following executing bodies.

- Management Committee (held semimonthly)

The committee is comprised of Executive Directors and the heads of business divisions and corporate departments, and discusses and resolves important issues pertaining to the management of the Company.

- Finance & Investment Deliberation Council (held semimonthly)

The council is comprised of Executive Directors and the heads of corporate departments, and discusses and resolves issues pertaining to important investment and loan opportunities.

- Internal committees (held quarterly)

In order to address management issues across the entire Group organization, we have established and manage internal committees acting as an executing body under the direct supervision of the President. Currently, there are three committees: the Internal Control Committee (monitoring progress and operation status of establishing the internal control structure and formulating policies related to financial reporting based on internal control regulation specified by the Companies Act and Financial Instruments and Exchange Act), the

Compliance Committee (examining and formulating basic policies on compliance of the Group), and the CSR Committee (examining and formulating basic policies and measures to promote CSR). Each internal committee reports regularly to the Board of Directors and the Management Committee on its activities.

ii) Selection of Directors and Executive Officers and Decision on Remuneration of Directors, Executive Officers and Audit & Supervisory Board Members

We have the following advisory bodies to the Board of Directors to help select Directors and Executive Officers and determine their remuneration.

- Nomination Committee

Chaired by Outside Director, the committee discusses and proposes criteria and methods for selecting Director and Executive Officer candidates, as well as discusses candidate proposals.

- Remuneration Committee

Chaired by Outside Director, the committee discusses and proposes the remuneration level for Directors and Executive Officers and various systems related to evaluation and remuneration.

Directors' remuneration is decided at the meeting of the Board of Directors by comprehensively taking into account the performance of the Company based on the deliberations at the Remuneration Committee. Audit & Supervisory Board Members' remuneration is decided, in principle, at the meeting of the Audit & Supervisory Board based on its deliberations.

In both cases, remunerations are determined within the maximum remuneration amount resolved at the Ordinary General Shareholders' Meeting of the Company.

iii) Corporate Audit, Accounting Audit and Internal Audit

- Corporate Audit

Organization: Audit & Supervisory Board

Members: Five Audit & Supervisory Board Members, including four Outside Audit &

Supervisory Board Members. Of the five, two are full-time, and of the four Outside Audit & Supervisory Board Members, three are male and one is female,

including one full-time (as of March 31, 2014).

Procedures: Pursuant to the Corporate Audit Standards established by the Audit &

Supervisory Board and in line with audit plans and task assignments, Audit & Supervisory Board Members attend the meetings of the Board of Directors and other important meetings such as those of the Management Committee and Finance & Investment Deliberation Council. Audit & Supervisory Board Members oversee and audit the operations of the Group by performing audits through interview with Directors to discuss about their performance of duties, reviewing important board resolution documents and checking business reports submitted from consolidated subsidiaries. In addition, to enhance this auditing function of Audit & Supervisory Board Members, we have set up the Audit & Supervisory Board Members Office, a dedicated support team of three staff

members for the Audit & Supervisory Board.

Audit & Supervisory Board Members receive explanation of audit plans and regular audit reports from the Accounting Auditor, and share information with each other to conduct an

effective audit. At the same time, they monitor the independence of the Accounting Auditor. In addition, they also exchange information with the Audit Department on a daily basis. For example, they receive explanation of audit plans from the Audit Department, receive reports on the status of audit at meetings of the Audit & Supervisory Board semiannually, and submit their opinion statements on audit results by the Audit Department. In addition, Full-time Audit & Supervisory Board Members attend audit review meetings held by the Audit Department to express their opinions.

- Accounting Audit

Our Accounting Auditor is KPMG AZSA LLC which conducts accounting audits in accordance with the Companies Act, as well as financial statement audits, quarterly reviews and internal control audits in accordance with the Financial Instruments and Exchange Act. Details of their executive officers and assistant staff working for Sojitz in FY2013 are as follows:

Name of 0	Name of CPAs, etc.

- Internal Audit

Organization: Audit Department

Staff: 38 employees including General Manager (As of March 31, 2014)

Procedures:

Based on an audit plan approved by the Board of Directors at the beginning of each fiscal year, the Audit Department conducts an audit on the business divisions, corporate departments, and consolidated subsidiaries including major overseas subsidiaries. For audit procedures, placing emphasis on compliance, reliability of financial reporting, status of risk management and investment and loan management, the Audit Department closely monitors audited divisions and departments to ensure that internal control systems and governance are functioning effectively. The Department also investigates and assesses the existence of major management risks in the operation of these units, then gives practical advice on improvement.

After the audit is completed, the Department holds an audit review meeting for the audited departments and the concerned parties (President of lead divisions, Officers responsible for corporate departments and Audit & Supervisory Board Members) and also reports the audit results based on the recorded documents.

The Department submits a summarized audit report to the President and provides explanation to the Chairman, Vice Chairman, President and Executive Vice President, and Senior Managing Executive, who are also Directors, on a monthly basis. In order to ensure a swift response of audited divisions and departments towards improvement of their problem areas identified in audits,

the Department requests them to submit an improvement progress report for the three-and six-month periods after the audits, thus conducts a follow-up assessment to check their progress.

Other than this, the Department has introduced a Self-inspection System by business division and Group company, under which checks are performed annually based on check items prepared by the Audit Department and each business division or Group company to follow up the implementation status of remediation measures. Under this system, the business divisions endeavor to identify and handle transaction risks in a timely and accurate manner. Carrying out the repetitive self check will help them identify frontline operation problems in the early stages, improve the operational efficiency, prevent the occurrence of losses, and raise awareness on risk management.

Audit & Supervisory Board Members, Accounting Auditor, and the Audit Department perform their respective duties on audits, while conducting interactive communications and sharing information in order to develop cooperation in a mutually complementary manner and achieve better efficiency, thereby establishing a highly effective audit function.

(3) Measures regarding Shareholders and Other Stakeholders

(a) Efforts to Ensure a Well-facilitated, Active General Shareholders' Meeting and Smooth Exercise of Voting Rights

We take the following measures:

- Deliver a convocation notice of General Shareholders' Meeting as early as possible
- Avoid dates which other companies are likely to choose for their meetings
- Introduce the exercise of voting rights by electronic method
- Publish the Shareholders Magazine for shareholders
- Establish a webpage for individual shareholders
- Host briefing sessions for shareholders (Osaka and Fukuoka)
- Provide video clips of General Shareholders' Meeting and shareholder seminars

(b) Investor Relations Activities

The Investor Relations Office, which is a specialized department for the Company's investor relations activities, organizes seminars for analysts and institutional investors upon announcement of our second-quarter and full-year financial results twice a year, and also holds conferences over the Internet to announce first- and third-quarter financial results. In addition, the IR office held investors meetings for business activities where the managing executive officers from each business division made presentations and held observation tours for overseas business companies for analysts and institutional investors in FY2013. Moreover, the IR Office conducts individual interviews with institutional investors in Japan and provides such interviews on a regular basis to foreign institutional investors at their premises in areas such as the U.S., Europe and Asia. Furthermore, the Office issues annual reports and provides the audio and video clips of IR seminars and seminar materials on the Company's website, in order to deliver more information to investors.

Meanwhile, the IR Office also make efforts in promoting shareholder relations (SR) focusing on individual shareholders, by holding shareholder seminars to provide an opportunity for individual shareholders to have direct conversations with our management and conducting shareholder surveys, as well as by publishing the "Shareholders Magazine" as an information transmission tool.

(c) Respect the Rights of Stakeholders

- Establishing standards to protect the rights of stakeholders

Our mission is to understand the diverse needs and expectations of our stakeholders throughout the world, and to meet those needs and expectations with integrity. We are aiming to build strong trust with our stakeholders by continuing to provide "New way" and "New value" regardless of the size of stakeholders. In order to accomplish this, we put emphasis in response to our stakeholders according to the following core values.

- Uphold the highest ethical standards and perform all that we do with integrity;
- Abide by both the letter and spirit of the laws and regulations applicable to our business activities;
- Protect employee health, safety and dignity and manage our workplace responsibly and respectfully; and
- Remain passionately focused on harmonizing business results and stakeholder satisfaction and success.

- Efforts on CSR and environmental protection activities

We established "Sojitz Group CSR Policy" to achieve mutual prosperity of both our corporate activities and society/environment through steady practice of our corporate philosophy as a member of the international society.

In promoting CSR, we set forth and practice the following high priority themes in consideration of the "expectation and interest of stakeholders" as well as the "importance to the Group" based on the idea that we pursue the creation and maximization of value together with our stakeholders.

"Promotion of CSR in supply chains"

"Promotion of businesses which contribute to the prevention of climate change"

"Promotion of businesses which contribute to the development of developing and emerging countries"

"Improvement of systems and environments to enable every employee to fulfill their potential"

In addition, every employee of the Group makes an effort to reduce environmental impact by implementing measures such as energy and resource conservation, waste reduction, recycling and green procurement, while making effort in social contribution activities including the provision of educational support and restoration support for the affected areas by the Great East Japan Earthquake.

(4) Basic Concept and Implementation of Internal Control System

(a) Basic Concept

We have been working on implementing and maintaining our internal control systems in terms of regulations, organization and systems. The following basic policies have been resolved by the Board of Directors regarding the establishment of "System for Ensuring Appropriate Execution of Business Operations."

i) Compliance by Directors and Employees

The Company shall establish the Sojitz Group Compliance Code of Conduct and Ethics, Sojitz

Group Code of Conduct and Ethics Manual, and the Sojitz Group Compliance Program to ensure that directors and employees comply with laws and regulations, the Articles of Incorporation, and internal rules.

The Compliance Committee shall lead the reinforcement and improvement of the legal compliance system. Also, the Company shall make clear the responsibility of each department so that any amendment of laws and regulations relating to the Company's operations will be closely followed and fully observed.

The Company shall ensure that the Sojitz Group does not enter into any business or other relationship with antisocial forces, and shall resolutely reject any improper request with legal measures if necessary.

With regard to important laws and regulations such as security export control and insider trading, the Company shall establish respective internal rules to ensure strict compliance.

ii) Retention of Information relating to the Execution of Directors' Duties

With respect to important documents relating to the execution of directors' duties such as the minutes of the Board of Directors meetings and approval documents, the Company shall prescribe in the Board of Directors rules and the internal rules for document retention a retention period that is equal to, or longer than, that required by the relevant law or regulation. The Company shall also designate the department in charge of such retention and documents shall be made available as review or examination becomes necessary.

iii) Regulations regarding Management of Loss Risks; Other Systems

In order to prevent, or when impossible to prevent, to minimize, economic losses, the Company shall analyze and categorize potential risks for economic losses both inside and outside its operations. It shall establish internal rules or manuals, and assign a department for managing the risks in each category.

Credit risk and business investment risk shall be assessed and appropriately handled in accordance with the internal rules for risk management. Market risk shall be controlled to ensure that it is minimized in accordance with applicable internal rules. The Company shall prepare for natural disasters by establishing internal rules and drawing up disaster manuals.

The Company shall periodically review the effectiveness of internal rules and handling procedures, and revise them if required. Further, in the event that a new type of risk emerges due to changes in the business environment, the Company shall promptly appoint a person and/or department in charge, and prescribe appropriate internal rules with regard to the new risk.

iv) Efficiency in Execution of Directors' Duties

The Company shall make clear the responsible fields or departments of each director and executive officer and the responsibility of each department, as well as chains of command, scopes of authority and decision making rules.

The Company shall clearly prescribe in the Board of Directors rules important matters requiring Board resolutions, and shall convene the Management Committee and other committees to deliberate and decide other important matters. Also, matters to be reported to the Board of Directors shall be set forth in the Board of Directors rules.

Top management policy shall be promptly announced to all directors and employees of the Company through the Management Committee or Corporate Planning Department, and through other oral or written methods or via the intranet.

v) Proper and Ethical Business Operations in the Sojitz Group

The Company shall establish a department to oversee the management structure of the Group companies, ensuring the sound management of each Group company. The Company shall enhance its Audit Department to audit Group companies, ensuring the proper and ethical conduct of their business operations.

Compliance Code of Conduct and Ethics and the Compliance Program shall apply to all Group companies and shall be fully observed by their directors and employees.

The Company shall review and develop the business processes of each Group company in the light of internal controls relating to consolidated financial reporting.

vi) Employees Assisting Audit & Supervisory Board Members and Their Independence from Directors

The Company shall establish the Audit & Supervisory Board Members Office to assist Audit & Supervisory Board Members and assign the necessary employees. These employees shall work under the direction of Audit & Supervisory Board Members, and their performance evaluations and personnel changes shall require the consent of Audit & Supervisory Board Members.

vii) Reports to Audit & Supervisory Board Members

The Board of Directors rules shall include a rule that requires any director to immediately report to Audit & Supervisory Board Members when he/she learns of a fact that may cause significant damage to the Company. The Audit Department shall provide Audit & Supervisory Board Members with a copy of the internal audit report upon completion of each internal audit.

The Audit & Supervisory Board shall be entitled to request a report from an Accounting Auditor, director or other person, as it deems necessary.

viii) Other Arrangements to Ensure Efficient Auditing by the Audit & Supervisory Board Members

One or more of the Audit & Supervisory Board Members shall attend every meeting of the Board of Directors and express opinions as necessary. They may also attend the Management Committee and other important meetings, directly observing the discussions and reporting on important matters.

Representative directors shall regularly meet with Audit & Supervisory Board Members and exchange opinions on key issues for the Company, as well as on the conditions of, and important issues relating to, audits by Audit & Supervisory Board Members.

(b) Progress of Improvement

i) Overview

With respect to the status of establishing internal control systems of the Company and Group companies, in addition to inspections and improvements to the legal compliance systems, led by the Compliance Committee, and inspections and improvements to the risk management methods, led by the Risk Management Planning Department, we establish, improve and operate overall internal control systems while promoting "Assessment of Internal Controls Regarding Financial Reporting" under the Financial Instruments and Exchange Act, led by the Internal Control Committee.

Audit & Supervisory Board Members including Outside Audit & Supervisory Board Members

review the establishment and operation status of internal controls for which the Internal Control Committee or other units related to internal controls are responsible, by attending meetings of the Board of Directors, Management Committee by fulltime Audit & Supervisory Board Members and other important meetings. Furthermore, they are monitoring the overall internal control systems of the Company and providing advice on more efficient operations of the systems through an interactive exchange of information with the Accounting Auditor and units related to internal controls such as the Internal Control Administration Department and the Audit Department when necessary.

ii) Compliance

Our efforts to enhance compliance are as follows:

We provide compliance training on a regular basis in order to ensure that directors and employees of the Company and Group companies are fully aware of the Sojitz Group Code of Conduct and Ethics and raise their awareness of compliance issues.

We ensure that the Compliance Committee is properly informed at an early stage and the compliance status is thoroughly reviewed on a group-wide basis for the purpose of prevention, early detection and appropriate handling of a violation of laws and regulations. We have also implemented a whistleblower program for reports to the Chief Compliance Officer, the external legal counsel, etc., a multilingual Sojitz ethics hotline service available on a 24-hour, 365-day basis, and a consultation contact with the Legal Department.

In response to the trend toward stricter oversight on corruptions, we have formulated anticorruption rules and set out methods for preventing corruption for our dedicated team within the Legal Department to promote the efforts to prevent such corruptions in the Group.

With respect to measures against antisocial forces, we have clearly stipulated the elimination of relationships with antisocial forces in the Sojitz Group Code of Conduct and Ethics and Manual for Handling Antisocial Forces, to ensure full awareness and thorough implementation by all employees and directors of the Group. In addition, we set up contact and consultation desks internally.

The Audit Department conducts compliance-centric audits on all companies of the Sojitz Group, strictly focusing on compliance audits in accordance with laws and regulations, the Articles of Incorporation, and internal regulations, and reviewing if appropriate measures have been taken from CSR perspectives.

iii) Risk Management

The businesses of the Group are, due to their nature, exposed to various kinds of risks; therefore, we first define and classify risks by items in compliance with its Basic Code of Corporate Risk Management and manage them according to the nature of each risk based on the Risk Management Policy and Plan formulated by an officer in charge of each risk item.

Quantifiable risks (market risks, business investment risks, credit risks, and country risks) are measured and managed as comprehensive risk management according to the calculated risk asset scores, in addition to individual risk management based on the following basic policies.

We try to minimize market risks, in principle, by adopting the asset/liability matching model for product transaction balances, etc., and the hedge transactions such as forward exchange contracts, commodity futures trading and forward commodity contracts, and interest rate swaps.

Credit risks are controlled through the use of an internal credit rating system for each business

partner.

Country risks are controlled with the use of a country rating system, which determines a maximum exposure limit for each country.

Business investment risks are controlled based on our strict criteria, designed for assessing risks of new projects, taking into account partner risks and their business features, and setting a standard for IRRs (internal rates of return). We conduct follow-up checks on a regular basis, maintaining strict criteria for withdrawal.

As for nonquantifiable risks (legal risks, compliance risks, environmental risks, financing risks, disaster risks and system risks), the management status are also reported to the management.

iv) Management of Group Companies

The Corporate Planning Department adopts and promotes a management system for the Group companies' business operations. Meanwhile, the Audit Department conducts audits on the Group companies and strives to strengthen its oversight function over them, identify problems in the early stages, and prevent the occurrence of loss to the Company. In addition, the Audit Department has introduced the Self-inspection System, to raise awareness towards operational improvements in frontline operations. Furthermore, Audit & Supervisory Board Members and the Audit Department are working on to build a good cooperation with Audit & Supervisory Board Members of major Group companies through the exchange of information, thereby implementing efficient monitoring that corresponds to the Group management.

v) Efforts for Ensuring the Reliability of Financial Reporting

The Internal Control Committee plays a central role in practically maintaining and improving the internal control systems relating to the financial reporting of the entire Group, in order to secure the reliability of financial reporting, with an aim to ensure a qualitative progress of those internal control systems. We have carried out the assessment on the effectiveness of internal controls in accordance with the "Assessment, Reporting and Auditing of Internal Controls over Financial Reporting." Further, to remind the entire Group of the importance of securing the reliability of financial reporting, as well as the importance of internal control activities for that purpose, the Board of Directors adopted a resolution regarding the following "Basic Policy to Ensure Appropriate Financial Reporting," and we have been making every attempt to keep all employees informed and involved.

<Basic Policy to Ensure Appropriate Financial Reporting>

To maintain and earn higher social credibility of the Company, we believe one of the most important goals is to ensure appropriate financial reporting. Subsequently, we have established the following basic policy in accordance with the "Internal Control Reporting System" as prescribed in Article 24-4-4 of the Financial Instruments and Exchange Act.

1. Basic Principle for Ensuring Appropriate Financial Reporting

- Sojitz Group always applies appropriate accounting principles and adopts them as its own
 principles. Therefore, all directors and employees of the Group shall be informed and
 understood of this policy, and carry out accounting processing in accordance with these
 principles.
- All directors and employees shall understand that any false representations arising from
 fraud, willful act, negligence, or improper understanding of accounting standards may
 damage the reliability of financial reporting of the Group. This could be disastrous and
 harm the credibility of the entire Group. Should such a situation occur, the Company will
 take disciplinary actions against any individuals found to be accountable.

2. Establishment of Systems and Procedures for Ensuring Appropriate Financial Reporting

- The Board of Directors shall understand and perform its responsibilities for proper supervision and monitoring over management, with respect to financial reporting as well as internal controls over the financial reporting.
- In order to ensure appropriate financial reporting, a proper organizational framework shall be established that is optimal for the features of the Group's businesses. Duties and responsibilities involved in financial reporting shall be clarified, and authorities and obligations shall be appropriately allocated.
- Potential risks of significant false representations shall be identified and analyzed. To
 minimize such risks, effective internal controls shall be established and implemented in
 good faith.
- A system to routinely monitor internal controls over financial reporting shall be established. Any problems detected by the constant monitoring shall be reported in a timely and appropriate manner, and a system for this process shall be established.
- Any material information on internal controls over financial reporting shall be communicated between the levels of management, managers, and responsible staff in a timely and appropriate manner, and a system for this process shall be maintained and established.

3. Use of IT for Internal Controls over Financial Reporting

All directors and employees of the Group shall understand the importance of IT
infrastructures in relation to internal controls over financial reporting and appropriately
understand its associated risks. These risks shall be minimized to the possible extent, and
IT controls shall be effectively used for the efficient internal controls.

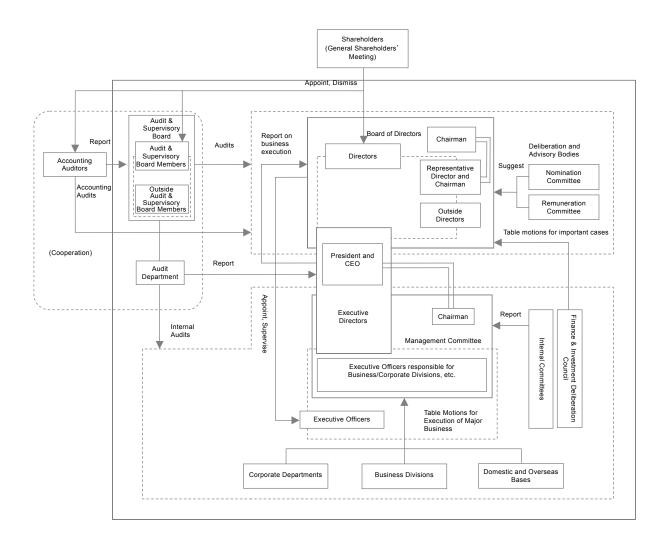

4. Implementation of "Assessment and Reporting of Internal Controls over Financial Reporting" Pursuant to the Financial Instruments and Exchange Act

- All directors and employees of the Group shall faithfully carry out its practice standards
 and procedures for the "Assessment and Reporting of Internal Controls over Financial
 Reporting by Management" established pursuant to the Financial Instruments and
 Exchange Act. Detailed guidelines and plans shall be separately determined as necessary.
- Any insufficiency or material defects in internal controls of the Group identified in the course of implementing "Assessment and Reporting of Internal Controls over Financial Reporting by Management" shall be corrected immediately.

In accordance with Article 444, Paragraph 4 of the Companies Act, we have audited the consolidated financial statements, comprising the consolidated statements of financial position, consolidated statements of profit or loss, consolidated statements of changes in equity and the notes to the consolidated financial statements of Sojitz Corporation and its subsidiaries as of March 31, 2014 and for the 11th consolidated fiscal year from April 1, 2013 to March 31, 2014.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the second sentence of Section 1 of Article 120 of the Corporate Accounting Regulations, which allows the omission of certain disclosures required by the designated International Financial Reporting Standards ("IFRS"); this includes the implementation, and maintenance of internal control deemed necessary by management for the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit as independent auditor. We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected and applied depend on our judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, while the objective of the audit is not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used, the method of their application, and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements referred to above, prepared with the omission of certain disclosures required by the IFRS pursuant to the second sentence of Section 1 of Article 120 of the Corporate Accounting Regulations, present fairly, in all material aspects, the financial position and results of operations of the Company and its subsidiaries, applicable to the consolidated fiscal year ended March 31, 2014.

Matters for Emphasis

As mentioned in Significant Subsequent Events in the Notes to the Consolidated Financial Statements, the Company issued "The 29th series of Unsecured Bonds" on April 22, 2014 based on a resolution of the Board of Directors held on March 27, 2014.

This matter has no impact on our audit opinion.

Other Matter

Our firm and engagement partners have no interest in the Company which should be disclosed pursuant to the provisions of the Certified Public Accountants Act.

In accordance with Article 436, Paragraph 2 Item 1 of the Companies Act, we have audited the non-consolidated financial statements, comprising the non-consolidated balance sheets, non-consolidated statements of income, non-consolidated statements of changes in net assets and notes to the non-consolidated financial statements and supplementary schedules of Sojitz Corporation as of March 31, 2014 and for the 11th fiscal year from April 1, 2013 to March 31, 2014.

Management's Responsibility for the Non-consolidated Financial Statements and Others

Management is responsible for the preparation and fair presentation of the non-consolidated financial statements and supplementary schedules in accordance with accounting principles generally accepted in Japan; this includes the implementation, and maintenance of internal control deemed necessary by management for the preparation and fair presentation of the non-consolidated financial statements and supplementary schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the non-consolidated financial statements and supplementary schedules based on our audit as independent auditor. We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the non-consolidated financial statements and supplementary schedules are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the non-consolidated financial statements and supplementary schedules. The procedures selected and applied depend on our judgement, including the assessment of the risks of material misstatement of the non-consolidated financial statements and supplementary schedules, whether due to fraud or error. Audit & Supervisory Board's Audit Report: Full Copy

Audit Report

With respect to the Directors' performance of their duties during the 11th fiscal year (from April 1, 2013 to March 31, 2014), the Audit & Supervisory Board has prepared this audit report after deliberations based on the audit reports prepared by each Audit & Supervisory Board Member, and hereby report as follows:

1. Method and Contents of Audit by Audit & Supervisory Board Members and the Audit & Supervisory Board

The Audit & Supervisory Board has established the audit policies, assignment of duties, etc. and received a report from each Audit & Supervisory Board Member regarding the status of implementation of their audits and results thereof. In addition, the Audit & Supervisory Board has received reports from the Directors, etc. and the accounting auditors regarding the status of performance of their duties, and requested explanations as necessary.

In conformity with the Audit & Supervisory Board Members auditing standards established by the Audit & Supervisory Board, and in accordance with the audit policies and assignment of duties, etc., each Audit & Supervisory Board Member endeavored to facilitate a mutual understanding with the Directors, the internal audit division and other employees, etc., endeavored to collect information and maintain and improve the audit environment, has attended the meetings of the Board of Directors and other important meetings, received reports on the status of performance of duties from the Directors and other employees and requested explanations as necessary, examined important approval/decision documents, and inspected the status of the corporate affairs and assets at the head office and other principal business locations.

Also, each Audit & Supervisory Board Member regularly received reports on the status of the system and performance from the Directors and other employees and, as necessary, requested explanations for and expressed opinions on the status of the contents of the Board of Directors' resolutions regarding the development and maintenance of the system to ensure that the Directors' performance of their duties described in the business report complied with all laws, regulations and the articles of incorporation of the company and other systems that are set forth in Article 100, paragraphs 1 and 3 of the Ordinance for Enforcement of the Companies Act of Japan as being necessary for ensuring the appropriateness of the corporate affairs of a joint stock company (*kabushiki kaisha*), and the systems (internal control systems) based on such resolutions. With respect to the subsidiaries, each Audit & Supervisory Board Member endeavored to facilitate a mutual understanding and exchanged information with the Directors and Audit & Supervisory Board Members, etc. of each subsidiary and received from subsidiaries reports on their respective business as necessary.

Based on the above-described methods, each Audit & Supervisory Board Member examined the business report and supplementary schedules for the fiscal year under consideration.

In addition, each Audit & Supervisory Board Member monitored and verified whether the accounting auditor maintained its independence and properly conducted its audit, received a report from the accounting auditor on the status of its performance of duties, and requested explanations as necessary. Each Audit & Supervisory Board Member was notified by the accounting auditor that it had established a "system to ensure that the performance of the duties of the accounting auditor was properly conducted" (the matters listed in the items of Article 131 of the Company Accounting Regulations) in accordance with, among other things, the "Quality Control Standards for audit" (Business Accounting Council, October 28, 2005), and requested explanations as necessary.

Based on the above-described methods, each Audit & Supervisory Board Member examined the non-consolidated financial statements (non-consolidated balance sheets, non-consolidated statements of income, non-consolidated statements of changes in net assets, and notes to the non-consolidated financial statements) and the supplementary schedules thereto, as well as the consolidated financial statements (consolidated statements of financial position, consolidated statements of profit or loss, consolidated statements of changes in equity, and notes to the consolidated financial statements), for the fiscal year under consideration.

2. Results of Audit

- (1) Results of Audit of Business Report, etc.
 - (i) We acknowledge that the Business Report and the supplementary schedules thereto fairly present the status of the Company in conformity with the applicable laws and regulations and the articles of incorporation of the company.
 - (ii) We acknowledge that no misconduct or material fact constituting a violation of any law or regulation or the articles of incorporation of the company was found with respect to the Directors' performance of their duties.
 - (iii) We acknowledge that the Board of Directors' resolutions with respect to the internal control systems are appropriate. We did not find any matter to be mentioned with respect to the contents of the business report concerning the internal control systems and the Directors' performance of their duties.
- (2) Results of Audit of the non-consolidated financial statements and their supplementary schedules We acknowledge that the methods and results of audit performed by the accounting auditor, KPMG AZSA LLC, are appropriate.
- (3) Results of Audit of the consolidated financial statements

We acknowledge that the methods and results of audit performed by the accounting auditor, KPMG AZSA LLC, are appropriate.
